MEET DAY — ATTEMPT SELECTION			
	OPENER ~91%	SECOND ~97%	THIRD ~101.5%
SQUAT	285 lb	305 lb	320 lb
BENCH	170 lb	180 lb	190 lb
DEADLIFT	330 lb	355 lb	370 lb

Opener = a weight you could triple on your worst day. The third gets adjusted on the platform based on how the second moves.

RPE guide: 7 = 3 reps left · 8 = 2 left · 9 = 1 left. Trust the percentages — if a weight feels a full point harder than listed, drop the load and tell your coach.
